Newton in Space • July 16

Commemorate the anniversaries of both the Apollo 11 and Apollo 15 moon landings by learning about rocketry and space flight from 9 a.m.-3 p.m.

MathAlive! • July 23-Oct. 2

This exhibition uses immersive experiences to bring to life the real math behind what kids love most – video games, sports, fashion, music, robotics and more. Open 9 a.m.-5 p.m. daily.

(continued on reverse)

NATIONAL MUSEUM
OF THE UNITED STATES AIR FORCE™

FOURTH BUILDING GRAND OPENING

JUNE 2016

NOW OPEN!

Visit the museum's new fourth building! Ten presidential aircraft and a world-class collection of flight test aircraft, along with exciting space artifacts and huge cargo planes, are all part of the museum's newest exhibit space. Visitors can climb aboard the space shuttle exhibit, walk through four presidential and three cargo aircraft, and try out the Air Force Museum Foundation's new suite of simulator rides, including the Pulseworks' Virtual Reality Transporter, the first of its kind in North America, featuring an exclusive Space Voyage experience!

More information:

www.nationalmuseum.af.mil/Expansion.aspx

National Aviation Day • Aug. 20

Learn about aerospace technology and history from 1903 to 2016 and beyond in honor of National Aviation Day (and Orville Wright's birthday) from 9 a.m.-3 p.m.

Fall with Gravity • Sept. 24

Celebrate the fall season while learning how we can overcome and cope with the force that causes falling from 9 a.m.-3 p.m.

World War I Dawn Patrol Rendezvous • Oct. 1-2

Catch the excitement and adrenaline of early air power with reproduction WWI aircraft, radio-controlled models, era

automobiles, period re-enactors, a collector's show and educational activities from 9 a.m.-5 p.m. each day.

U.S. Air Force Band Concert • Oct. 22

The band will give a free performance at 7:30 p.m. Tickets are required and will be available at 9 a.m. on Sept. 21.
