6

Use the key, word bank, and map (on backside of this page) to find Imagine Me character cut-outs. The key and map tell the location of each cut-out. When you find one, take a picture in it and look for clues to match the cut-out to a career in the word bank. Start in the Early Years Gallery with question 1. Use the map and key to make sure you've found all the cut-outs from each gallery before moving on. Also be sure to visit our website at <a href="https://www.nationalmuseum.af.mil/Education/Educational-Resources/">https://www.nationalmuseum.af.mil/Education/Educational-Resources/</a> to discover this scavenger hunt and others in both digital and physical versions. Happy searching!
